

Provides *leading brands* that align with the USDA CACFP Standards

The crediting information for *Kellogg's*® US cereals listed below is based on the standards provided under the Child Nutrition Programs: Meal Patterns Consistent with the 2020-2025 Dietary Guidelines for Americans, published April 25, 2024. The products listed below will be compliant with the new CACFP added sugars limit of no more than 6 grams of sugar per dry ounce, which takes effect on October 1, 2025.

The table below lists the number of ounce equivalents provided by *Kellogg's*® US cereals to fulfill CACFP meal patterns.
